Congratulations on your new Beretta 92 Series Pistol Tool Kit. With it, you now have many specialized tools for the repair and maintenance work on the Beretta 92 Series Guns.

This Kit was designed by our tech staff, with the help of some extremely talented armorers, skilled in Beretta repair. Many of our designs are based on factory tools; they should last for a lifetime of use in your shop. As with everything we sell, we guarantee your satisfaction - 100%.

Following this page are complete "hand-on" instructions for each of the tools in the Kit, specially written by professional gunsmiths to make your work easier and to help you get the maximum benefit and use out of each tool.

We know you are going to enjoy using the tools in the Kit for the repair and maintenance work you do - whether the gun belongs to a sportsman, or is a departmental duty gun. And, the time saved and the professionalism that comes from having, and using, the right tools for the job will greatly increase the pleasure and satisfaction your gunsmithing brings you. Again, congratulations!
